

## The public offer agreement

Information for visitors of the Belarus export website EXPORT-BELARUS.COM:

Today, Private production unitary enterprise "BelInfoExport" renders services on placement of advertising information on Belarusian export portal Export-Belarus.com only residents of the Republic of Belarus to legal entities and individual entrepreneurs, officially registered in Belarus. Foreign advertisers wishing to place their advertisement on the Belarusian export portal Export-Belarus.com, can apply to one of the residents of the Republic of Belarus, its business partner (if any) with a request for assistance in placing their information on our portal. Please note that in this case, the advertiser is a resident of the Republic of Belarus, who wants to place on the Belarusian export portal Export-Belarus.com information about the products or services of a foreign manufacturer is obliged to provide the administration of the portal Belarusian certificates for its products (services) and other necessary documents confirming the legality of posting information of a foreign manufacturer on our portal. In any case, the responsibility for the content of the information provided for the placement of a foreign manufacturer is also borne by the advertiser – resident of the Republic of Belarus.
